CLASS & PRACTICE HOURS – CREDIT PROCEDURE

Students at Modern Beauty Academy record their attendance by entering their names and time to clock IN at the start of the day, OUT for a lunch period, IN when returning to class and OUT at the end of the class day. Students will be allowed up to seven (7) minutes to sign-in and receive credit for the full quarter (1/4) hour. Students received credit for operations completed after each operation or project verified by an instructor. The daily hours and operations earned are recorded in a daily record timecard, Biometric Fingerprint recognition system. The student and the instructor must initial and sign the daily record card at the end of the day. A new daily record timecard is prepared from the prior day's timecard.

Timecards must remain in the school at all times.

CREDIT EVALUATION

School officials will grant appropriate credit for prior training upon review and verification of its validity under the Cosmetology Act and the California State Barbering and Cosmetology Board Rules and Regulations. Occasionally, a student acceptance by the school will depend entirely on the credit evaluation conducted by the California State Barbering and Cosmetology Board. Before enrolling in Modern Beauty Academy, it is the student

responsibility to obtain the state's evaluation. The freshman curriculum for each of the courses requires a specific number of hours of classroom lectures, demonstrations and student practice. The freshman class teaches and introduces the basics of those areas that the student will need to know to pass the Barbering and Cosmetology Board examination. From this initial introduction, the student will learn all the fundamental basics for his/her future and career. The hours spent in the freshman class are 400 for the cosmetology course and 150 for the manicure/nail care course. Modern Beauty Academy considers the freshman classes to be the foundation for the students' learning process.

CONDUCT & TERMINATION POLICY

All students are to conduct their behavior and language with professionalism at all times. Students are to adhere to the federal, state and school rules and regulations at all times. SATISFACTORY ACADEMIC PROGRESS POLICY

The following standards of satisfactory academic and attendance progress policies have been established following the guidelines adopted by the National Accrediting Commission of Career Arts and Sciences (NACCAS).

This policy applies to all students enrolled at this institution. It is printed in the catalog to ensure that all students received a copy prior to enrollment. The institution expects its students to maintain Satisfactory Academic Progress (SAP).

Students must maintain and cumulative academic average of “C” (70%) or better on all tests, operations, and other required course work. Students are required to attend a minimum of 67% of the hours possible based on the applicable attendance schedule in order to be considered maintaining satisfactory attendance progress. Evaluations are conducted at the end of each evaluation period to determine if the student has met the minimum requirements. The attendance percentage is determined by dividing the total hours accrued by the total number of hours scheduled. At the end of each evaluation

period, the school will determine if the student has maintained at least 67% cumulative attendance since the beginning of the course which indicates that, given the same attendance rate, the student will graduate within the maximum time frame allowed.

Regardless of the average level of attendance students who have more than 21 consecutive calendar days will be dismissed. This policy applies to all students except those on an approved Leave of Absence. However, students receiving Title IV funds can be dismissed after 14 calendar days per the Department of Education.

Maximum Time Frame - The maximum time (which does not exceed 150% of the course length) allowed for students to complete each course at satisfactory academic progress is stated below:

MAXIMUM TIME FRAME		
Course	Weeks	
Scheduled Hours		
Cosmetology (FT, 30 hrs/wk) – 1600 hours	80	2400
Cosmetology (PT, 20 hrs/wk) – 1600 hours	120	2400
Barbering (FT, 25 hrs/wk) – 1500 hours	90	2250
Barbering (PT, 20 hrs/wk) – 1500 hours	112.5	2250
Barbering Crossover (FT 30 hrs/wk) - 200 hours	10	200
Barbering Crossover (PT, 20hrs/wk) – 200 hours	15	200
Manicuring/Nail Care (FT, 30 hrs/wk) – 400 hours	20	600
Manicuring/Nail Care (PT, 20 hrs/wk) – 400 hours	30	600

Extra Instruction Charges – If a student exceed the maximum time frame his/her contract and needs additional time to complete hours and/or operations, Modern Beauty Academy will extend a courtesy period of additional training limited to three weeks without assessing additional charges. Thereafter, overtime tuition charge will be assessed for the remaining number of hours to complete times the hourly rate of their contractual course hourly rate.

Leave of Absence/Interruptions – Students must submit in advance for a LOA in writing. LOA must include: 1. Reason for student's request; 2. Student's signature. If for an unforeseen circumstance prevents the student from submitting a LOA in advance, Modern Beauty Academy may grant a LOA to a student with the unforeseen circumstance at a later time. If enrollment is temporarily interrupted for a LOA, there must be a reasonable expectation that the student will return from the LOA. The institution may not assess the student any additional charges because of the LOA. The student granted a LOA that meets these criteria is not considered to have withdrawn, and no refund calculation is required at that time. The student will return to school in the same progress status as prior to the LOA. If the student does not return to the institution at the expiration of an approved LOA (or a student takes an unapproved LOA) the student will be automatically dropped. The LOA together with any additional leaves of absences must not exceed a total of 180 days in a 12-month period. Hours elapsed during a leave of absence will extend the student's

contract period and maximum time frame by the same number of days taken in the LOA and will not be included in the student's cumulative attendance percentage calculation. Changes to the contract period on the enrollment agreement must be initialed by all parties. A contract addendum will be done with the new schedule end date. Addendum will be signed and dated by student and Institutional Representative. Students must request in writing a LOB and include the reason for the leave. It will then be approved by the school administrator. The withdrawal date for the purpose of calculating a refund is always student's last day of attendance.

Grading System – Students are evaluated on theory, practical and clinical work. The evaluation form reflects the overall attendance and academic progress of the student. Students must maintain a “C” (70%) average to maintain satisfactory academic status. The grading system detailed below is the system utilized in the school.

Theory Grading		Practical Grading	
100% - 90%	A Excellent	10 points – 100%	A+ Exceptional
89% - 80%	B Good	9 points – 90%	A Excellent
79% - 70%	C Average	8 points – 80%	B Good
69% - Below	D Failing	7 points – 70%	C Average
		69% or below	Failing

Evaluation Periods – The first evaluation must occur no later than the mid-point of the academic year and/or the program, whichever occurs sooner. (Note: All evaluations must be completed within 7 (seven) school business days following the established evaluation points.)

Students are evaluated for Satisfactory Academic Progress as follows:

Cosmetology	450, 900, 1250 and 1600 clocked (actual) hours
Barbering	450, 900, 1200 and 1500 clocked (actual) hours
Barbering Crossover	100 and 200 clocked (actual) hours
Manicuring/Nail Care	200 and 400 clocked (actual) hours

If the institution has an SAP evaluation that is going to affect a student's eligibility for financial aid, we are required to notify the student as soon as possible.

Determination of Progress Status - Students meeting the minimum requirements for academics and attendance at the evaluation point are considered to be making satisfactory academic progress until the next scheduled evaluation. Students will receive a hard copy of their Satisfactory Academic Progress Determination at the time of each of the evaluations. Students deemed not maintaining Satisfactory Academic Progress may have their Title IV Funding interrupted, unless the student is on warning or has prevailed upon appeal resulting in a status of probation.

Warning - Students who fail to meet minimum requirements for attendance or academic progress are placed on warning and considered to be making satisfactory academic progress while during the warning period. The student will be advised in writing on the actions required to attain satisfactory academic progress by the next evaluation. If at the end of the warning period, the student has still not met both the attendance and academic requirements, he/she may be placed on probation and, if applicable, students may be deemed ineligible to receive Title IV funds.

Probation - Students who fail to meet minimum requirements for attendance or academic progress after the warning period will be placed on probation and considered to be making satisfactory academic progress while during the probationary period, if the student appeals the decision, and prevails upon appeal. Additionally, only students who have the ability to meet the Satisfactory Academic Progress Policy standards by the end of the evaluation period may be placed on probation. Students placed on an academic plan must be able to meet requirements set forth in the academic plan by the end of the next evaluation period. Students who are progressing according to their specific academic plan will be considered making Satisfactory Academic Progress. The student will be advised in writing of the actions required to attain satisfactory academic progress by the next evaluation. If at the end of the probationary period, the student has still not met both the attendance and academic requirements required for satisfactory academic progress or by the academic plan, he/she will be determined as NOT making satisfactory academic progress and, if applicable, students will not be deemed eligible to receive Title IV funds.

Regain Financial Aid Eligibility – Students may restore their financial aid status at the end of payment period with both pace rate or over 67% and average grades over 70%.

Re-establishment of Satisfactory Academic Progress - Students may re-establish satisfactory academic progress and Title IV aid, as applicable, by meeting minimum attendance and academic requirements by the end of the probationary period.

Appeal Procedure - If a student is determined to not be making satisfactory academic progress, the student may appeal the determination within ten calendar days. Reasons for which students may appeal a negative progress determination include death of a relative, an injury or illness of the student, or any other allowable special or mitigating circumstance. The student must submit a written appeal to the school on the designated form with supporting documentation of the reasons why the determination should be reversed. This information should include what has changed about the student's situation that will allow them to achieve Satisfactory Academic Progress by the next evaluation point. Appeal documents will be reviewed, and a decision will be made and reported to the student within 30 calendar days. The appeal and decision documents will be retained in the student file. If the student prevails upon appeal, the satisfactory academic progress determination will be reversed and federal financial aid will be reinstated, if applicable.

Deemed Unsatisfactory - Students who do not achieve the minimum standards of SAP are no longer eligible for Title IV funds unless the student is on warning or has prevailed upon appeal of the determination that has resulted in the status of probation.

Withdraws and Re-entry – All Students who withdraw in good standing may re-enter into the course of study without the loss of credit for prior hours and operations earned during

the prior enrollment. If the student transferred to other institution before returning to Modern Beauty Academy, those hours and operations earned at the institution may also be credited to the student for the new re-enrollment. Each re-entry is treated on an individual basis. Modern Beauty Academy reserves the right to reject students that had withdrawn from Modern Beauty Academy twice before.

Non-credit and Remedial Courses – Course incompletes, repetitions and non-credit and remedial courses do not apply to this institution. Therefore, these items have no effect upon the school's satisfactory academic progress standards.

Transfer Student - Notice concerning transferability of credits and credentials earning at our institution. The transferability of credits you earn at Modern Beauty Academy is at the complete discretion of an institution to which you may seek to transfer. AWARD CONCEPT, SELECTION OF RECIPIENTS & PACKAGING CRITERIA

This institution does not receive enough Campus-Base funds to satisfy all the student

financial needs. Therefore, the school emphasizes the SELF-HELP CONCEPT of student financial assistance. The SELF-HELP CONCEPT is on a first-come, first-served basis when awarding eligible applicants. The SELF-HELP CONCEPT lists types of financial assistance in the following order:

1. Family contributions
2. Other resources
3. Federal PELL Grant

The school awards from the Federal Supplemental Educational Opportunity Grants in accordance with the following policy: The institutional participation in the Federal Educational Opportunity Grant is limited to the amount of funds given to the institution for an entire award year. (July 1 to June 30).

Due to the **limited** amount of funds available to the institution, it is literally impossible to award FSEOG to all students applying for aid. Therefore, the institutional policy to select FSEOG recipients is as follows:

This institution has a continuing enrollment process in which students may start each Tuesday of each week or Wednesday when Tuesday is an observed Holiday. In order to ensure a fair distribution of funds through the entire award year, the institution will make \$400.00 SEOG awards using data from the year proceeding the current year, by using student enrollment, EFC and Pell Grant data to determine how to distribute the SEOG funds available. Based on last year's data, the institution expects an enrollment of 40 new students meeting the "exceptional need" criteria to be enrolled during the 7/1/18 to 6/30/19 period, the first selection of SEOG recipients will be made from students with "exceptional need". Students with "exceptional need students" are defined by this institution as students that have an expected family contribution (EFC) of zero and that will otherwise be eligible for the FPELL Grant Program during the same award year. If enrollment figures change, and/or additional funds become available to the institution, a second selection will be made from those students' ineligible for the FPELL Grant Program with the lowest expected family contribution.

Both selections will be made from students, whose file has been completed, with no issues pending regarding the students' eligibility for Federal Aid. Incomplete files will not be considered in the selection criteria due to possible lack of documentation. Awards will be made as long as funds are available throughout the award year.

FEDERAL WILLIAM D. FORD DIRECT LOAN PROGRAM

Funds received from either of the loan programs are subjected to repayment from the student. Before a loan document is submitted to the USDE, students must be fully aware of the financial responsibilities under these loan programs, the rights that the student has under the individual loan program conditions, and the consequences of failing to meet the repayment obligations.

FEDERAL DIRECT SUBSIDIZED LOAN

Federal Direct Subsidized Loans are made directly to students from the U.S. Department of Education. Subsidized loans are need based. Students may borrow up to the amount of the student's cost of attendance less other expected financial assistance (not to exceed annual loan limits).

The Federal Government pay interest subsidies while the student is enrolled or during periods of deferment. Student would pay a combined origination/guaranty fee of a variable percentage but not to exceed 3% rebated directly to the U.S. Department of Education. Students may receive both subsidized and Unsubsidized loans provided the combined amount borrowed does not exceed applicable loan limits and that the student's eligibility for a subsidized Federal Stafford Loan be determined prior to determining eligibility for the Unsubsidized loan. The law also stipulates that borrowers may apply for both subsidized and unsubsidized loans using a single application and that such borrowers must be given a single repayment schedule.

Maximum Annual Award: First level \$3,500, Second level \$4,500, Third level \$5,500 (Max aggregate \$23,000). These loans are subject to a maximum eligibility of up to 150% of the length of the program of study. Previous loans obtained could affect the student 150% eligibility.

FEDERAL DIRECT STAFFORD UNSUBSIDIZED LOAN

These loans expand the ability of the U.S. Department of Education to make "Unsubsidized" Federal Stafford Loans to students. These loans carry many of the same terms and conditions associated with subsidized Federal Stafford Loans with the following two exceptions:

- (1) Unsubsidized loans are not need based. Students may borrow up to the amount of the student's cost of attendance less other expected financial assistance (not to exceed annual loan limits).
- (2) The Federal Government does not pay interest subsidies to the lender while the student is enrolled or during periods of deferment. Interest must be paid or capitalized, i.e., added to the principal.

Deadlines: Applications need to be submitted at least 30 days before the end of the loan period for which the loan has been requested.

Maximum Annual Award:

Dependent student: **with Parent** loan first year \$2,000, second year \$2,000, third year and beyond undergraduates \$2,000.

Dependent student **without Parent** loan or **independent** students: first year

\$6,000, second year \$6,000, third year and beyond undergraduates \$7,000.

\$23,000 \$31,000

Independent Undergrads & Dependent Students whose parents can't get PLUS)
\$23,000 \$57,500

It is the student's responsibility to submit all required forms and documentation to the financial aid office before disbursement. **For additional information, read the pamphlet "Direct loan Entrance Counseling Guide."**

If that individual is and will continue to be supported by the student parent(s), that individual would be a dependent of the parent(s) **NOT** a dependent of the student.

Family Contribution (EFC): The calculated amount that a family contributes to offset the student cost of attendance.
